

ARCE TECHNICAL ELECTIVES

COURSE # TITLE

ARC 321	Building Materials and Methods III (3)
ARC 326	Site Analysis and Planning (2)
ARC 421	Building Technology V, EAS II (3)
ARC 461A	Water Efficiency in Buildings (3)
ARC 461D	Computer Energy Analysis (3)
ARC 461E	Sustainable Design and the LEED Initiative (3)
CE 432	Advanced Structural Design in Steel (3)
CE 434	Design of Wood and Masonry Structures (3)
CE 435	Prestressed Concrete Structures (3)
CE 437	Advanced Structural Design in Concrete (3)
CE 482	Construction Project Planning, Scheduling, and Control (3)
CE 483	Construction Cost Estimating (3)
CE 485	Construction Equipment and Methods (3)
SBE 301	Introduction to Design Thinking (4) (Summer 2)

7/6/2017
